

**NOVEMBER 08, 2017**

4:00 to 5:00 P.M. (1.0 PDH)

**TECHNICAL PROGRAM**

**Differential Movement and  
Expansion Joints in Brick  
Veneer**

**Speaker:** Leslie Seaton, Technical Services  
Engineer, Acme Brick, Tel: (817)  
823-0771

After 16 years serving our country in the United States Marine Corps, Leslie is the newest Technical Services Engineer at Acme Brick Company. He has earned a Mechanical Engineering Degree from the University of Houston and is currently working on a Master's Degree in Civil Engineering from the University of Texas at Arlington. Leslie has done extensive training with the Brick Industry Association to become a Certified Brick Specialist.

The technical experience and leadership skills that he developed as a Marine Officer along with his thorough knowledge of the masonry industry make him uniquely qualified to give non-proprietary lunchbox presentations on a number of continuing education topics. Leslie is also available to help with technical questions on all aspects of brick and other masonry topics.
