PRESENTATION

5:30-6:30 PM (1.0 PDH)

Recent Developments in Wetlands Regulatory Program

Speaker : Mr. Jim Coody, P.E., Wetlands Professional Services

This presentation will provide a brief overview of the federal wetlands regulatory program, and summarize the 2015 Clean Water Act rule and proposed wetlands regulations under the Trump Administration.

Jim Coody is a Professional Engineer and President of Wetlands Professional Services. He has over 30 years' experience in wetlands and related environmental regulatory issues that affect land-use permits and approvals. Mr. Coody has presented on wetlands and related regulatory issues to associations, municipalities and small groups in the Greater Houston and Dallas-Fort Worth Metroplex areas and was featured in the March 2016 issue of Houston Builder Magazine.
